

# Port Bonython Fuels

## Port Bonython Fuel Terminal Project

Project Information Update #2 - Construction update, 5 Feb 2015

Whyalla's latest major development

The initial site works commenced November 2014 and are progressing well.

The junction on Port Bonython Road into the project site was completed prior to Christmas 2014 as scheduled. No further major works affecting Port Bonython Road are expected until late this year.

Construction of the foundations for the main storage tanks is expected to commence in March.

The site will be fenced and secured from mid February 2015. A security guard will be on site to manage access.
